

# TRY THAIHONG

Junior Web Developer | Web design,Php ,Laravel

@ hongop34@gmail.com    linkedin.com    Siem Reap

## EXPERIENCE

### Administrator

CES school    01/2024 - 07/2024    Siem Reap

- handling documents, scheduling, and supporting daily administrative tasks to ensure smooth workflow.

### Graphic Designer/Video Editor

Saek Tmey ass    08/2024 - 01/2025    Siem Reap,

- Creative professional skilled in graphic design and video editing, producing high-quality visuals, banners, posters, and engaging videos to support branding and marketing initiatives

### Web Development Intern

Sessor Creative Design    02/2025 - 04/2025    Siem Reap

- During my internship as a **Web Developer**, I focused mainly on frontend development using **HTML, CSS, JavaScript, jQuery, Bootstrap, React, Tailwind CSS, TypeScript**, and occasionally worked with **WordPress** for content management. I also gained some experience with backend technologies and strengthened my skills in **PHP, and Laravel** by working on personal real-world projects independently. This experience helped me build responsive and user-friendly web applications while developing a solid understanding of both frontend and backend development.

## EDUCATION

### Year 3 Bachelor of Science in Computer Science

University of Cus at Siem Reap    2024

## LANGUAGES

KHMER    Native    ENGLISH    Advanced

## STRENGTHS

- Collaborative Team Player**  
Worked effectively in a team during my internship , contributing to positive project outcomes.
- Quick Learner**  
Rapidly picked up new web development languages and frameworks during my academic course and internship.
- Problem-solving Ability**  
Successfully identified and fixed more than 50 bugs during my internship, enhancing my problem-solving skills.

## PROJECTS

### GitHub Profile

<https://github.com/trythaihong?tab=repositories>

All my projects are stored on GitHub and showcased in my portfolio

## SUMMARY

My name is Try Thaihong, I am 21 years old and currently studying Computer Science at CUS University. I have completed several short courses to strengthen my practical skills and successfully finished a 3-month internship as a Web Developer. During my internship, I mainly worked on frontend development, and sometimes backend tasks using PHP, Laravel, and Wordpres. I am passionate about building responsive and user-friendly web applications and I am eager to continue improving my skills as a Junior Web Developer.Eager web developer, well-versed in JavaScript, CSS, HTML. Utilizing a year of experience from interning, with a passion for creating responsive and user-centred web applications. Adept in project management and problem-solving to facilitate timely project completion.
